Real Estate FAQs

1. What types of properties do you offer?
We offer residential and commercial properties, including apartments, villas, independent houses, plots, office spaces, and investment properties.

2. How can I find the right property for my budget?
Our property experts understand your budget, location preferences, and requirements to help you find suitable properties.

3. Can I schedule a property inspection?
Yes. You can contact us to schedule a convenient property inspection or site visit.

4. Do you help with home loans?
Yes. We can guide you through the home loan process and connect you with suitable financial institutions and loan professionals.

5. What documents should I check before buying a property?
Important documents may include the title deed, sale deed, approved building plans, encumbrance certificate, property tax receipts, and other applicable approvals.

6. Do you provide assistance with property registration?
Yes. We can guide you through the property registration process and help you understand the required documentation and procedures.

7. Can I sell my existing property through your services?
Yes. We can assist property owners with property marketing, buyer enquiries, negotiations, and the sales process.

8. Do you offer rental properties?
Yes. We can help you find suitable residential and commercial rental properties based on your location, budget, and requirements.

9. Is real estate a good investment?
Real estate can be a long-term investment option, but returns depend on factors such as location, property type, market conditions, demand, and investment goals.

10. How can I contact your real estate team?
You can contact us through our website enquiry form, phone, WhatsApp, or email. Our team will get in touch with you to understand your requirements.
